

Application for *LiterARTure Delight* Layout Staff

LiterARTure Delight is Haycock Elementary School's art and literary magazine. We collaborate with McLean High School's Yearbook Staff to design and complete the layout for the magazine. Each Haycock student will be paired with a McLean High School yearbook staff member. This Haycock Elementary-McLean High School pair of students will design a two-page spread for the literary and art magazine. We will spend one day at Haycock (April 20th from 11:45-1 PM) and one half-day (April 24th from about 10:30 until 2:30 PM) at McLean High in their yearbook room using their computer program *InDesign*. We are looking for highly motivated students with or without computer and design experience. This is an excellent opportunity for students who may have aspirations to join publications (like yearbook or newspaper) in high school and is service to the school. Do you have questions? Ask Mrs. Bosworth. **Please complete and return this application to your teacher by Wednesday, March 7th with your parent's signature.**
