

GLOBAL

Language Learning Haycock ES

Global Language Opportunity Benefiting All Learners (GLOBAL) is an approach to language learning that allows students to develop basic communicative skills in a language.

Why choose this program?

- Instruction reinforces grade level Standards of Learning (SOL) objectives while teaching a language.
- Curriculum is aligned with the Foreign Language in the Elementary School (FLES) program that is taught during the school day.
- Teachers are employed by Fairfax County Public Schools and are trained specifically for the GLOBAL program and FCPS Best Practices in Teaching and Learning.
