Camps, care, and enrichment programs designed to educate, entertain, and engage students.

CLASS DESCRIPTION

SPICING THINGS UP! ICOOK

Our chefs-in-training will learn how the addition of spices and herbs can transform food and provide added nutritional benefits too. Each class will highlight an herb or spice including basil, rosemary, garlic, vanilla, and cinnamon! We will make Black Bean Sliders, Rosemary Crackers, Enchiladas, and more! Our little chefs will build on their knowledge of cooking safety and the fundamental cooking techniques including peeling, breading, blending, melting, slicing, dicing, chopping and more.

AMUSEMENT PARKS ENGINEERING SNAPOLOGY

We bet your child loves going to amusement parks to experience the variety of fast, dropping, and spinning rides, but have they ever thought about the science that goes into building those rides and the people who are responsible for designing them? In Snapology's Amusement Park Engineering class, students will become engineers of their LEGO amusement park rides and will learn the core physics and engineering concepts used to make a ride thrilling!

CHESS CLUB MAGNUS CHESS ACADEMY FORMERLY SILVER KNIGHTS

Learn chess with Magnus Academy (formerly Silver Knights), world champion Magnus Carlsen's academy! We've taught 100,000 children to play including state & national champions, but most students are beginners looking to learn a new skill and have FUN. Class time is divided between lessons and practice games. Lessons range from the basic rules to advanced tournament strategies. Students will have the opportunity to play in tournaments (in-person and online) outside of club time. This in-person club includes free online extras including weekly practice tournaments and an event with world champion Magnus Carlsen or Judit Polgar, the best female chess player of all time. All chess supplies provided. All skill levels are welcome. For more information please visit chessacademy.com.

ART ADVENTURES : EXPLORING DIFFERENT MEDIUMS RED SPRINKLE

Ignite your imagination and delve into the world of art in this dynamic course. Students Will Explore Different Art Forms, including drawing, painting, sculpture, and mixed media. They Will Learn Various Techniques, experiment with different materials, and create their own masterpieces. Our experienced instructors will guide students through hands-on projects, allowing them to express their unique artistic visions. From vibrant paintings to 3D sculptures, students will unleash their creativity and develop their artistic skills. Whether a tot or teen, Art Adventures is the perfect class to unleash your creativity and discover the joy of art!
